### ABOUT THE STATE.

#### Items of Interest Cleaned from Our Exchanges.

The suit of Paul Parizo vs. Joseph Mitchell was entered in Chittenden county court Monday. This is the third of the actions to recover \$3,000 by the plaintiff from licensed liquor dealers for the alleged sale of liquor to his son Frank, a minor.

Augustus Howard died in the Mary Hitchcock hospital, N. H., recently where he was for treatment after injuries received in the railroad yard at White River Junction. Mr. Howard was 26 years old and the oldest son of Mr. and Mrs. William Howard, of Etna, N. H. He leaves, besides his parents, three sisters and one brother.

In an interview Monday Col. W. M. Wallace, commandant, stated that discipline was being maintained at Fort Ethan Allen and that the disorders which have been reported are nothing more than have occurred after previous pay days. He had particular reference to the troubles existing in troop B, which is commanded by Lieut. George T. Bowman.

"There's enough snow up at Plymouth Four Corners to last three months," said Driver George Sumner of the Bridge-water stage as he pulled in at Woodstock one night last week. His route doesn't take him to that snowbound neighborhood, but a returning traveler reported that he had as much trouble as he ever had in midwinter in getting over the road, going through fields and doing various other stunts to avoid the bad places. Mr. Sumner said that the mountain road to Rutland still had a little snow left. The stage is on wheels now, as the ruts go through to the ground, but the snow is yet several feet deep on either side.

The receipts of the Brattleboro post-office during the year ended March 31, 1905, were \$29,299.02, greater by \$3,184.89 than for the corresponding period one year previous. The sales of stamps, envelopes and cards amounted to \$27,276.02, and \$1,541.47 was collected from publishers on second-class matter mailed outside the country (at rate of 1 cent a pound) of which \$572.60 was during the past three months. The revenue to the government for the year, above all office expenses, was \$13,616.76, of which \$4,121.18 was for the last quarter—\$2,323.45 being for the one month of March.

### GOV. BELL'S FAITH.

Believes in the Vermont Farm and Thoroughly, Too.

In an address before the Society of Vermonters in Springfield, Mass., last Friday evening, Gov. C. J. Bell affirmed his strong faith in agriculture and particularly agriculture in Vermont. He said:

"Speaking of agriculture, he asked if anyone ever knew of more than two or three great men who were not born on a farm. There was something about the mountain air, something about teaching a calf to drink milk and all that which made men better and more useful in life. From the farms of New England are growing up girls and boys that are going to amount to something. We have been telling them by our words and actions that farming doesn't pay, but it is safe to say that there is a greater opportunity for success in agriculture today than in almost any other business. The great secret of success is to know your business. The professional man educates himself. How is it about the farmer? Notwithstanding the fact that many of them do not properly educate themselves, 50 per cent of them succeed, a larger per cent than in almost any other business or profession. No man is a true farmer until he has trained himself, and with the

### WASHING WITHOUT WATER

#### Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him? It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

schools at hand and that great school, the Grange, there is no excuse for lack of training. Governor Bell spoke of the remarkable possibilities for Vermont, the fertility of its soil making possible the cultivation of a great variety of products. Before closing Governor Bell extended an invitation to all of the company to attend a sugaring off in his orchard next Thursday.

### Last Hope Vanished.

When leading physicians said that W. M. Smithard of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me and saved my life. Since then I have used it for over ten years and consider it a marvelous throat and lung cure." Strictly scientific cure for coughs, sore throats or colds; sure preventive of pneumonia. Guaranteed. 50c and \$1.00 bottles at the Red Cross Pharmacy. Trial bottle free.
